CHANGING PEOPLE'S LIVES

WHAT MAKES US PROUD

It's easy. It's mobile. It's user friendly. It's ready for you 24/7. Have it, it's just having your office with you, always.

by Naim Shauqy bin Ashari | CS Holidays

I must say that Travelport Mobile Agent is an extraordinary product! It is by far the best and easiest way to access full GDS functionality while on the go!

by Michael B Parks | Retired Senior Vice President - Travelport, Former Senior Vice President – Sabre

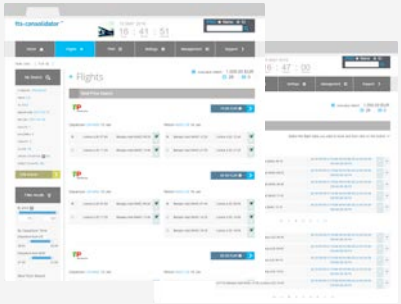
tts CONSOLIDATOR™
Optimizing consolidation business

tts CONSOLIDATOR™

WHAT IS IT?

MANAGEMENT, AUTOMATION
& TICKETING



GREAT SEARCH FLEXIBILITY

Best price search and availability search optimize flight search

TICKETING AUTONOMY

Reduce your ticketing workload & focus on doing business, allowing you to standardize your processes and focus on what's important

FULL BUSINESS CONTROL

Enjoy full business rules management & credit control

EASY REPORTING

Learn easily what's happening in your business and extract all the necessary information

tts CONSOLIDATOR™

ADD-ON

WHAT IS IT?

THE ADD-ONS TO MAKE
THE SOLUTION GROW

QUICK ACCESS TO THE BEST DEALS

Calendar Search add-on grants non-IATA agencies quick access to the best deals by allowing them to visualize the lowest fares in a 3-day window in both round and one-way trips.

INCREASE YOUR PRODUCTIVITY

With **Calendar Search**, non-IATA agencies can make a faster and more flexible search an be able to decide the best deal according to their clients' availability and expectation in a more instant way.

CONNECT TO AGENCIES WITH DIFFERENT GDS

TTS Consolidator Direct will allow you to add subagents that may have a different GDS then yours. This way you will widen the range of support you provide as well as to opening doors to a lot of new business

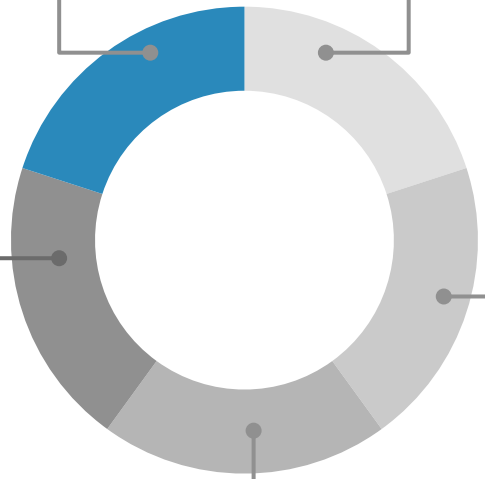
NO GDS? NO PROBLEM!

If you want to work with a new agency that does not have a GDS, **TTS Consolidator Direct** will allow you to create an access on the spot within 5m and start working straight away with your new partner in business!

tts CONSOLIDATOR™

WHY DO YOU NEED IT?

DON'T LET IT FREEZE



NEW BUSINESS
automation allows consolidators to focus on business instead of using valuable human resources to do repetitive work

COST REDUCTION
automation decreases the need for GDS experts from both parties

RISK MANAGEMENT
credit control lets Consolidators decide about the risk they are willing to take with each sub-agency

BETTER SERVICE
consolidators offer a better service to sub-agencies and their customers

AUTONOMY
sub-agencies can offer a complete service to their customers, no delays

tts CONSOLIDATOR™

IT'S A WRAP!

SUM UP

NON-IATA LIKE AN IATA AGENCY

Offer your sub-agencies the ability to issue tickets and allow them to compete in the IATA agencies league while bringing automation to your business

GREAT SEARCH FLEXIBILITY

Supports Best price (Best Buy) and Availability Search allowing agents to better serve price and schedule-oriented clients

Offers the ability to improve the best price search results through Flexi Flights (One Way combinations) and Cross Ticketing

Provides advanced search parameters and powerful filtering options to allow the travel agents insert the traveler preferences in order to optimize the results

FULL BUSINESS CONTROL

Insert general business rules or specify them per sub-agency: fees, preferred and blacklisted carriers, remarks

Control your financial risk by managing your sub-agencies credit line and allowed credit cards
